Adhesion power:	N/A, final adhesion is achieved after 16-24 hours
Adhesion weight:	40 g/m <sup>2</sup>
Application temperature:	+20 °C - +25 °C
Fire behaviour:	N/A
Standard roll width:	760 /1520 mm
Standard roll length:	50 m
Storage:	cool and dry at 15-25 °C, 50 % rel. humidity
Shelf life:	12 months in original packing

### COMPATIBLE INKS:

Eco solvent:	yes	UVC:	yes
Solvent:	yes	Latex:	yes
		Dry toner:	yes

Different printers, inks, resolutions and printing qualities result into numerous different printing parameters. In addition, there are numerous factors influencing processing and the application of our materials. For this reason, we cannot make specific statements as to drying times and maximum ink absorption. For this reason, we recommend you to perform own tests in order to verify the desired results. Our product specifications are not to be understood as legally binding guarantees assuring specific characteristics. Any liabilities and guarantees, as well as claims for compensation beyond the value of the product itself are excluded.

## EMBLEM Solvent Wall Decoration 150 Adhesive

### Description:

EMBLEM Solvent Wall Decoration 150 Adhesive is a wallpaper based on non-woven paper for individual interior design. The matt, white surface of the wallpaper can be printed with standard eco solvent, solvent, latex and UV inks and is characterized by a soft feel. The back of the product is self-adhesive.

Due to the special surface you can achieve brilliant photorealistic prints with a high ink coverage. This product is free of PVC, plasticizers and solvents. Without the addition of heavy metal compounds and formaldehyde.

EMBLEM SOWADE150ADH is stable in dimension and easy to apply. The wallpaper adheres to many smooth surfaces.

### Processing:

The prints are suitable for indoor decoration without lamination.

The wallpaper should acclimatize sufficiently (up to 48 hours) before it is glued. The substrate must be dry, clean, solid, absorbent and smooth.

Multiple panels are hung edge-to-edge. The wallpaper can still be repositioned within the first 10 minutes. Press on the strips with sponge rubber roller or wallpapering brush without bubbles.

### Application:

Typical applications for EMBLEM SOWADE150ADH are individual decoration for living spaces, children's rooms, shopping malls, museums, booth constructions, commercial buildings, hotels and restaurants, wall tattoos.
