Weave:	2:1
Finish:	matt
Color:	white
Weight:	260 g/m ² ±15
Whiteness CIE:	172,5 (CIE Ganz 82/W10)
Standard roll width:	1070 / 1370 / 1520 mm
Standard roll length:	30 m on 3" core
Storage:	cool and dry at 15-25 °C, 50 % rel. humidity
Shelf life:	12 months in original packing

COMPATIBLE INKS:

Eco solvent:	yes	UVC:	yes
Solvent:	yes	Latex:	yes

Different printers, inks, resolutions and printing qualities result into numerous different printing parameters. In addition, there are numerous factors influencing processing and the application of our materials. For this reason, we cannot make specific statements as to drying times and maximum ink absorption. For this reason, we recommend you to perform own tests in order to verify the desired results. Our product specifications are not to be understood as legally binding guarantees assuring specific characteristics. Any liabilities and guarantees, as well as claims for compensation beyond the value of the product itself are excluded.

EMBLEM Production Canvas 240 Matt

Description:

EMBLEM PROCA240M is based on a high quality polyester fabric with a high dimensional stability. The consistent canvas structure allows quality prints with vibrant colors. A smooth further processing is ensured by the good flatness. The PROCA240M can be mounted easily onto stretcher frames without stress whitening because of its flexible coating.

It has a non reflecting surface and is made for printing with common eco solvent, solvent, UV and latex based inks.

Processing:

We advise sufficient drying time of the print before further processing. To avoid fingerprints the use of cotton gloves is advised.

Application:

Typical applications for PROCA240M are demanding wall decoration, photographic reproductions, image presentations of graphics and artistic presentations.
